FEB^{RY}. 9TH. 1731/2.

Humbly complaining Sheweth unto this Hon^{ble}. ourt your Orator Robert Carter of London Chymist That John Turing late of London Surgeon and sometime Surgeon of the Ship Greenwich stands Justly indebted to your Orator in the Principal sum of One hundred Fifteen Pounds sterling money of Great Britain as by a Bond Duely executed under the hand and Seal of the said John Turing Dated the 3^{d}. Day of Nov^{r}. in the year of our Lord 1728 and which Bond your Orators Attorney hath now Ready to Produce will appear which sum of one hundred Fifteen Pounds was actually and Bona Fide advanced and Lent to the said John Turing for to Fitt him out on his then intended voyage to the East Indies on the above said ship Greenwich your Orator shews that the said John Turing Did go and Proceed on the said voyage and Did safely arrive at this Port of Madrass and upon his Coming ashore one Thomas Gordon Late an Inhabitant

of Madrasspatnam Pretending great Kindness and Friendship for the said Turing Did invite him the said Turing to his house or Lodgings in Madrass there to Remain During his stay on shore Promising all civility towards him on account of their Being countrymen and formerly acquainted with each other your Orator shews that the said John Turing Did accept such Invitation or order to avoid an Expence which otherways must necessarily happen and accordingly Did Reside with the said Gordon for fifteen Days or thereabouts your Orator shews that During the Time the said Turing Remained in Madrass he sold unto the said Thomas Gordon Two Peices of Duroy with Trimming for the same amounting to 12 pagodas and Twenty Eight fannams and the said Thomas Gordon not being able to advance the money for such Purchase immediately he the said Thomas Gordon Did therefore give one note of hand for the aforesaid sum to the said Turing Bearing Date the 28th. of June 1729 payable at the said Turings Return from Bengal which your Orators Attorney hath Ready to Produce your Orator shews that sometime in the said month of June 1729 the said John Turing Did Proceed on the said ship Greenwich to Bengal where in or about the month of December following the said Turing Departed this Life and by his Last will and Testament made in England Bearing Date the 30th. Day of October 1728 (a true and attested copy whereof your Orators attorney hath Ready to Produce) hath Left and appointed your Orator Executor thereof your Orator shews that sometime in the month of January 1729 the said ship Greenwich Returned from Bengal to this Place in her homeward Bound voyage to England to which place she was Dispatched on the 16th. February following from Madrass your Orator shews that the said Thomas Gordon taking an advantage of the short time the ship had to stay and the hurry Captain Matthew Bookey Commander of the said ship was in on that occasion he the said Gordon Did on or about the sixth Day of February and not before apply to Capt. Bookey (who as commander of the said ship had the Effects of the Deceased in his hands) for the Payment of a certain sum Pretended to be Due to him from the said Turing but not meeting with a satisfactory answer he the said Gordon Did Exhibit in this Honble. Court on the Tenth of the month abovementioned his Petition therein and thereby Praying Payment of the sum of ninety Pagodas Eighteen fanams for certain Pretended accompts. with the said Turing which accompts the said Gordon hath annext to the said Petition upon Oath made before one of the Aldermen of this Honble. Court to the truth thereof although your Orator Doth much Question the same and firmly beleives them to be False accompts for the Reasons following First for that your Orator hath enquired strictly of the aforesaid Capt. Bookey and the other Gentlemen officers of the said ship Greenwich concerning the Parcel of Medicines mentioned in the said accompts which being a Large Quantity could hardly escape the knowledge or sight of some of them But the said Captain Bookey and the other Gentlemen officers of the said ship Do all severally Declare that they never saw or heard the Deceased mention any such medicines neither had he to their knowledge any medicines on Board but what Belonged unto the ships stores and supposing such a Parcel had been on Board and sold at Bengal yet it is highly improbable that no accompt thereof or mention of such a thing should appear upon his Papers Left Behind him and this affair seems further suspicious for that the said Gordon should Permit the Deceased to go away without Paying for all or any of these medicines or without making the Least acknowledgement of the Receipt of the same in writing and yet after the Delivery of these medicines to give the said Turing a Promissory note for the sum of Twelve Pagodas Tweny eight fannams as beforementioned which surely if Turing had been Indebted to him in so Large a sum he would never have Done but would have Deducted the same out of the amount of such Goods as the said Turing had Purchased or out of the Pretended money Due to him for Diet your Orator observes that this Last charge of Diet money and wines Provided for the said Turing seeing the said Turing accepted of Gordons Invitation to his house to save an Expence not enlarge it as by this charge he hath greatly Done seems highly inconsistent that a man who had a stock of wines on Board for sale should Purchase any at this Place for his passage to Bengal and at so Dear a Rate as it is Reasonable to suppose he must have allowed Gordon for the same is no ways Feazable (*sic*) as your Orator humbly

apprehends your Orator shews that on the said Tenth of February 1729 this cause came to be heard before this Hon^ble^. Court where the said Thomas Gordon having made oath as aforesaid to the Truth and Justice of his Demand and the said Captain Bookey having nothing to object the said note of Thomas Gordons not then Occuring to him [*sic*] memory obtained a Judgment of this Hon^ble^. Court in his Favour to this Effect That the said Captain Bookey should pay unto the said Gordon the sum of Twenty five Pagodas Eighteen fannams for Diet and necessarys and also the sum of sixty five Pagodas for upon the said Gordons giving security to this Court to Repay such Proportion thereof as should put him upon an Equality with any Respondentia Creditors in England as by the Decree of this Hon^ble^. Court therein Relation being thereunto had will more at Large appear your Orator shews that John Goulding Merchant now Residing at this Place Became Bound with the said Gordon for the said sum and a Proper Bond being Duely Executed by the said Parties to this Hon^ble^. Court the sum of Ninety Pagodas Eighteen fannams was Paid by the said Captain Bookey to the said Thomas Gordon as appears by the Receipt on the Back of this Hon^ble^. Courts Decree your Orator shews that upon his Orators arrival at Madrass which was sometime in the month of August Last the said Gordon having heard the note under his hand beforementioned was found and in the Possession of your Orators said attorney he the said Gordon Did write a Letter to him Requesting a Forbearance of a Publick Prosecution of this affair promising speedily to come and make the same up amicably and to give full satisfaction therein and in the Interim Did earnestly entreat your Orators said attorney not to mention any thing of the story upon any accompt Your Orator shews that upon such Request of the said Thomas Gordon your Orators said Attorney Did appoint a Day to meet the said Gordon and to settle this affair But in the Interval of time the said Gordon Left this Place secretly and the Districts thereof and Put himself under the Moors Protection now Residing among them at a Place called Vellore your Orator apprehends that as Chief Creditor if not the only one, and sole Executor to the said John Turing he is become entitled to so much of the Estate and Effects of the said Turing as may be sufficient to answer and satisfy his just Demand on the said Deceaseds Estate and in consequence thereof he is entitled to such moneys as have been sequestred at this Place Particularly to the afore^sd^. sum of sixty five Pagodas attach'd in the hands of the said John Goulding To the end therefore that the said John Goulding may shew cause why he should not Pay unto your Orator the aforesaid sum and that he may be Decreed to pay unto your Orator the aforementioned sum of sixty five Pagodas and that the said Thomas Gordon may also be Brought to give a more full and Particular accompt of the sum of Twenty five Pagodas and Eighteen fannams Pretended to be Disbunt [*sic*] for Diet and other necessarys on accompt of the said Turing and that the said Gordon may true and perfect answer make upon his Corporal oath why he did not pay unto the Estate of the said Turing the sum of Twelve Pagodas Twenty Eight fannams as by his note of hand Before Recited was Justly Due thereto and that he may hereafter be Decreed to pay the same with usual Interest if ever he be found within the Districts of this Place and that your Orator may have such further and other Releif as shall be agreeable to Equity and good conscience.

This Defendant saving and Reserving to himself now and at all times hereafter all and all manner of Benefit and advantage of Exception to the many untruths uncertaintys insufficiencys and imperfections in the Complainants Bill contained for answer thereunto or unto so much thereof as this Defendant is advised materially concerns him to make answer unto he this Defend^t. answereth and saith That sometime in the year 1726 this Def^t. did Remain indebted to Nathaniel Elwick Esq^r. Late Governor of Fort S^t. George in the sum of Three thousand Pagodas or thereabouts being the Ballance of sundry accompts had with the said Nathaniel Elwick During the time of his Government. This Defendant saith that the Complainant George Torriano being one of the acting attorneys for the said M^r. Elwick Did sometime in the month of March 1726 Demand payment from this Defendant of the aforesaid Debt but this Defendant not being able to comply with the said Demand at that time he this Defendant Did Prevail with the Complainant to accept of a mortgage of certain houses and Gardens belonging to this Defendant as a security until he should be capable of Discharging the said Debt and agreeable to such condescentions of the Complainant such assignment was Drawn out signed and executed by this Defendant as in the Complainants Bill of complaint is more Particularly mentioned But this Defend^t. Denies that he hath only paid Five hundred Pagodas on accompt of the said mortgage for that on the contrary he doth averr and say that on or before the 31^st. Day of Decem^r. 1728 he this Defendant paid or caused to be Paid to the comp^lt. on his behalf the sum of Two thousand seven hundred Pag^s. in part of the said Mortgage and that the same was actually so Received by the Complainant and this Defendant Doth further say that on or about the said 31^st. day of Decem^r. 1728 the Complainant George Torriano and Samuel Parks

(Merch^{t}. of this Place and the other Acting attorney for the said M^{r}. Elwick) did state and Draw out an accompt current with this Defendant in the name of the said M^{r}. Elwick wherein this Defendant is Credited for the aforesaid sum of Two thousand seven hundred Pagodas and by the said accompt current there appears to be Due to the said M^{r}. Elwick on the Ballance thereof the sum of one hundred ninety five Pagodas Twenty four fannams and fifteen cash which this Defendant Doth acknowledge and this Defendant saith that the abovementioned accompt current was signed by the Complainant and M^{r}. Parkes and Delivered to this Defendant as his security for the Payment of the several sums therein specified on the Credit side and among the Rest of the sum of Two thousand seven hundred Pagodas before mentioned and this Defendant also saith that he never did nor Doth now Refuse to Pay the Ballance of the afores^{d}. accompt. current but is Ready and willing to pay the same whenever it shall be Demanded in a Legal way This Defendant likewise further and finally answering saith that he utterly and entirely Denies and Disclaims any other Transactions and accompts with the Complainant whereby he is any ways indebted to the Complainant in any sum or sums whatsoever and affirms that the aforesaid assignment was given for the Reasons and for the account abovementioned and no otherways wherefore this Defendant humbly Demands the consideration and judgment of this Hon^{ble}. Court whether or no the said Compl^{tt}. ought in Equity or Justice to have molested this Defendant with this Vexatious suit seeing this Defendant never Refused or avoided paying the Ballance due on the accompt current before Recited and which accompt current for the better illustration of the matters in this answer contained this Defendant hath Ready to Produce as this Hon^{ble}. Hubbard who was coming from Nagore to this Place Requesting of the said Nersia to Pay the said money and Deliver the said Letter to the said Vencatashia which the said Nersia Promised and accordingly complyed with such promise on his arrival here and this Defendant saith that he continued sick at Nagore for the space of Two months after the Delivery of the said money to the said Nersia and upon his Recovery this Defendant Returned to Madrass when he was informed the Complainant was gone to Europe and this Defendant doth Deny that the Complainant During his Residence here or his attorneys in his absence did ever write or send to this Defendant to Return to this Place or give any account of the said Transactions to them or that he this Defendant did ever abscond or secret himself from the Complainant or his said attorneys by Removing from Place to Place as in the Bill is Charged against this Defendant and this Defendant Doth also Deny that he hath converted the sum of one hundred and forty two Pagodas or any other sum of money belonging to the Complainant to his this Defendants use but this Defendant saith that in Case the said sum of money so as aforesaid Received by this Defend^{t}. from the said Anantachilum was the Property of the compl^{tt}. which for ought this Defendant knoweth to the contrary the same might be he this Defendant did actually and Bona fide Pay or cause the said sum to be paid to the said Vencatashia as aforesaid which Payment this Defendant humbly hopes will by this Hon^{ble}. THE REPLICATION OF GEORGE DRAKE of Fort St. George Merchant Complainant to the answer of Changonah of The same place Peon Defendant.

APRIL 18TH. 1732. The said Replyant saving to himself all advantages of exception to the many untruths Errors uncertaintys and imperfections in the said answer contained sayeth that the Defendants answer to this Replyants Bill of Complaint is in some parts thereof evasive in others absolutely false and the whole insufficient in the Law to be Replyed unto For that the Defendant saith in his said answer that he was not at or about the time mentioned in this Replyants said Bill entrusted by this Replyant or by any other Person in his Behalf with the sum of Five hundred Pagodas or any other sum to be by him invested in the Purchase of chank for the accompt of this Replyant which is absolutely false for the sum of Four hundred Pagodas was counted over and Delivered to the said Defendant by this Replyants Dubash in the Presence of this Replyant and the said Defendant Did then Receive this Replyants orders and instructions how to invest the same by the mouth of the Dubash aforesaid which this Replyant conceives to be the usual and Practised method of giving orders and instructions to servants in this country where the master is not versed in the Language himself which is this Replyants case and therefore it is evasive and Ridiculous in the said Defendant to insinuate in his said answer that the aforesaid sum was Received from this Replyants Dubash Vencatashia and on his accompt and that he was only informed how much the Bag of money so Received contained and it is equally absurd to imagine that this Replyant at a time when he had a considerable trade and in consequence thereof much Business to transact should spare an old servant in whom this Replyant had the utmost confidence to Carry on a secret affair for the Private interest and advantage of the said Vencatashia when undoubtedly this Replyant could have found him better employment in his own Business and more to this Replyants satisfaction and Profit the Defendant in his said answer acknowledgeth the Receipt of but one Bag of money supposed as he says to contain four hundred Pagodas although the Defendant in another part of his answer unadvisedly confesses the actual Payment of Four hundred Pagodas which two Parts of the said answer Do not very well correspond together whereas this Replyant saith that he this Replyant did soon after the Defendants arrival at Nagore (whereas the Purchase of chank was to be made) Remit unto the said Defendant the Further sum of one hundred Pagodas over and above the sum of Four hundred Pagodas Paid him by this Replyant at his first setting out which sum of one hundred Pagodas the said Defendant hath acknowledged to have Received as this Replyant shall in Due time Prove as to the Purport of the Letter mentioned in the Defendants said answer it was no more than to Expedite the negotiation and this Replyant Procured one Sashagilum to Join with this Replyants Dubash Vencatashia in the same as being Brother to Anantachilum and therefore it was Reasonable to suppose his Interest necessary to cause a speedy and satisfactory Return of the Defendant the Reason of mentioning this Letter this Replyant conceives was to corroborate the Defendants allegation that it was upon Vencatashia's and not this Replyants accompt the said Defendant was employed the said Vencatashia having

signed the Letter jointly with the said Sashagilum but this assertion is very weak in Regard that it is the known custom of Dubashes of all the English merch^{ts}. in this Place to negotiate their masters affairs for them up in the country This Replyant saith that the Pretended orders given to the said Defendant for the Delivery of the money as well as the Letter to the aforesaid Anantachilum as mentioned in the Defendants said answer are untrue for that on the contrary the Positive orders of this Replyant to the said Defendant were that he the said Defendant should Pay away no sum or sums of money until he had a full Equivalent of good chank in his hands for the same agreeable to his instructions and therefore what moneys the Defendant Did pay away at Nagore to Anantachilum or to any other Person belonging to this Replyant and for which the said Def^{t}. had no security of chank in his hands was paid in his own wrong and without the knowledge Privity consent or orders of this Replyant and the said Defendant ought to stand to all the Damages thereof This Replyant allows that the Defend^{t}. Did send Down a Parcel of chank conformable to his instructions and this Replyant saith that M^{r}. Hubbard being concerned with this Replyant one half share in this adventure of chank was very uneasy at the Delay of the Returns in full and upon this Replyants Preparation for his voyage to England the said M^{r}. Hubbard did Demand this acco^{t}. to be settled upon which this Replyant still Retaining a good opinion of the Defendant and firmly beleiving he would speedily come Down and Render a satisfactory account of the Business to this Replyant Did Render the aforesaid Parcel of chank amounting in Table to nine thousand five hundred to the said M^{r}. Hubbard for his one half share in the said adventure of Five hundred Pagodas all which this Replyant Did for the credit of this Defendant and from the confidence Reposed in him by this Replyant This Replyant saith that as to the Letters and messages mentioned in the Defendants said answer Between the said Anantachilum the Defendant and the said Vencatashia they were to no other Interest than to hasten and forward the said Investment and the Return of the Defendant and were sent by order of the Replyant as in this Replyants Bill of complaint is mentioned This Replyant sayeth it is true the said Defendant did Remit to this Replyant the sum of one hundred and eight Pagodas in Cash and at the same time Promised to be carefull either in Investing or Bringing the Ballance Remaining Due on the said accompt chank Down with him soon after agreeable to this Replyants Repeated orders but this Replyant saith that he never heard of the said Defendants being sick at that time and Beleives the same to be no more than a Plausible Pretence and an evasive answer to that Part of this Replyants Bill of complaint Requiring him to sett forth why he did not Return and make up accompts before this Defendants Departure to England This Replyant saith that that Part of the Defendants said answer Denying the Receipt of any Letters or orders from this Replyant and from his Attorneys or from any Person or Persons Deputed by him or them or in his or their names and also the said Defendants Denying in his said answer that he absconded from Place to Place and secreted himself as much as Possible from the knowledge of this Replyant and his attorneys is also untrue evasive and insufficient as this Replyant well hopes to Prove as is also that weak and Trifling allegation that the said Vencatashia was the only Person from whom he Received any orders touching the Transactions aforesaid for this Replyant shall in Due time Prove that the Defendant was sensible and well knew that all the orders Received by him from the said Vencatashia came from this Replyant and was his this Replyants own act as much as if himself had spoke the same to the Defendant in his own Language This Replyant saith that the Defendants Demand in his said answer for wages Pretended to be Due to him is unjust this Replyant hoping to Prove that he paid the Defendant his wages Duely for so Long time as he had the Least Pretence to this Replyants service This Replyant further and finally saith that all and every the matters and things contained in this Replyants Bill of Complaint are certain true as the same are therein alledged and expressed and that the answer of the said Def^{t}. is evasive untrue and insufficient in the Law to be Replyed unto and therefore this Replyant Prays as in and by his said Bill he hath already Prayed.

Doth Deny that the Replyant or the said Vencatashia by his orders did at any time give this Defendant Instructions or or[der] not to Pay the said money so Received from the said Vencatashia as aforesaid untill this Defendant should have a full equivalent of chank in his hands for the same But on the contrary this Defend[ant] Doth Positively assert and affirm that the orders given to this Def^{t}. by the said Vencatashia on his Departure for Nagore were to deliver the Letter and money to Anantachilum on his arrival at Nagore as in this Defendants answer is Particularly mentioned and which orders were exactly complyed with by this Defendant and this Defendant saith that the Reason of this Defendants mentioning the said Letter was not to the Intent the Replyant is Pleased to conceive but to evince that the Purport of the said Letter exactly corresponded with the orders this Defendant Received from the said Vencatashia and to Justify this Defendants complyance therewith and this Defendant Doth Positively Deny that the Replyant or any other Person on his accompt did Remit or send to this Defendant the sum of one hundred Pagodas over and besides the money which this Defendant at first carried with him to Nagore as by the Replyant is alledged nor did this Defendant During his Residence at Nagore Receive any sum or sums of money whatsoever belonging to the Replyant save the sum of one hundred and ten or one hundred and twelve Pagodas from the said Anantachilum and which sum this Defendant Remitted to the Replyant as in this Defendants answer is Particularly mentioned and this Defendant saith that the Letters in this Defendants answer mentioned to be Received by the said Anantachilum and the orders thereupon by him given to this Defendant were actually Received and given as therein sett forth and such orders Punctually observed by this Defendant and this Defend^{t}. saith that the Replyant admitting such Letters were sent by his order and Direction Doth (as this Defendant apprehends) thereby approve the complyance of this Defendant with the orders of from the said Anantachilum and this Defendant humbly hope the same will be Deemed a sufficient Discharge to this Defend^{t}. against the Demand of the Replyant and this Defendant further saith as in and by his said Answer he hath already said and Doth and will averr and maintain all and everything and things therein to be true and certain in such manner and form as they and every of them are therein expressed and alledged.

The Answer of Trevengalum Comrapah of Fort St. George Merchant to the Bill of Complaint of William Studholme Gilbert Slaughter and Josiah Hindman Gentlemen Executors to the Estate of Captain John Lawson Deceased.

This Defendant saving and Reserving to himself all manner of Benefit and advantage of Exception to the many Errors Incertaintys and imperfections in the Complainants said Bill of Complaint Contained for answer thereunto or unto so much thereof as this Defendant is advised materially concerneth him to make answer unto he answereth and saith That he admits there was such a contract made and agreed to by the Late Captain John Lawson and this Defendant as in the Complainants said Bill of Complaint is charged and this Defendant also admits that he this Defendant Received the sum of Five hundred Pagodas in hand from the said Captain Lawson in Part and towards satisfaction of the said contract. This Defendant solemnly sayeth and upon his oath averrs that at the time of signing the contract beforementioned between the said Captain Lawson and this Defendant he this Defendant Did object that should the weavers who were to make the several Parcels of Goods more Particularly mentioned in the contract Disappoint him this Defendant by not Performing their Parts in Relation to the Exact Quantitys of each muster or sortment as very often happens what Releif should he this Defendant have from the strict Letter of the said contract whereupon

the said Captain Lawson Did then firmly Promise this Defendant that in such case he the said Captain Lawson would be content with so much of each sortm^{t}. of the Respective Goods in the said contract mentioned as this Defend^{t}. should be able to Procure and not insist on more This Defendt. saith that having great confidence in the honour & Integrity of the said Captain Lawson also being unwilling to Disoblige him by any scrupulous or distrustfull Behaviour and not in the Least imagining his Dissolution so near at hand he this Defendant therefore Did not think it convenient to urge that the contract before Received should be wrote over again and the objection and the Promise thereon beforementioned be sett forth in the same but Left the whole entirely to the honour and Generosity of the said Captain Lawson and this Defendant Doubts not it would have been acknowledged and complyed with by the said Captain Lawson had that Gentlemen survived This Defendant saith that he Doth not know how far the several Complainants were admitted to the knowledge of the said Contract and therefore he cannot make answer to that Part of the Complainants Bill this Defendant further answering saith that he admits that Josiah Hindman one of the Complainants Did apply to this Defendant Requesting this Defendant to Release him from so much of the said contract as exceeded the sum of Fifteen hundred Pagodas But this Def^{t}. saith that having actually agreed and contracted with several weavers to make and Procure the full Quantity of each sortment of Goods mentioned in the said contract and advanced great sums of money to them for that Purpose and the weavers at that time Promising faithfully to Perform the same and there being also a considerable Quantity of each muster then upon the Looms more than to the amount of Fifteen hundred Pagodas this Defendant therefore in Justice to himself could not comply with the Request of the said M^{r}. Hindman the Complainant however his Inclinations might Lead him so to Do all such sortments of Goods being never made but upon Particular contracts and are only fitt for the Europe Market by which had this Defendant complyed with the Request aforesaid he would have been a very Great sufferer therein by having a very Large Quantity of Goods returned upon his hands which in all Probability they might have Lain many years before he this Defendant could have been able to have Disposed thereof if Ever all which this Defendant Remonstranc'd to the said Hindman and gave as his Reasons for Refusing to comply with the Request aforesaid and not being capable of obliging the said M^{r}. Hindman therein which he this Defendant in any other case would gladly Do this Defend^{t}. admits that the said Josiah Hindman one of the Compl^{tts}. Did on or about the time sett forth in the said Bill of Compl^{tt}. Exhibit his Bill in this Hon^{ble}. Court against this Defendant to compel a compliance to the said contract But for what Reasons such Bill was Exhibited this Defendant Doth not yet know he having never Denyed a complyance with the said Goods to any great height Did tell M^{r}. Hindman that it would be better if he he had actually Procured the Greatest Part of the said Goods and brought them into his Godowns (or warehouses) Ready for the said M^{r}. Hindmans survey This Defendant sayeth that he being unwilling to Run the charges of merch^{dize}. on the said Goods to any great height Did tell M^{r}. Hindman that it would be better if he would Please to come and sort and Bale the said Goods at his this Defendants house which would save a great charge in cooly hire but the said M^{r}. Hindman not acquiescing in this Defendants opinion some Dispute arose thereon and the said M^{r}. Hindman Parted from this Defendant in seeming anger and soon after Exhibited the Bill aforesaid against him To which this Defendant appeared and acknowledged the said contract and his this Defendants intention of Performing the same agreeable to the true intent and meaning thereof upon which a Decree passed in this Hon^{ble}. Court to that Purpose agreeable to which and by order of S^{d}. Josiah Hindman one of the Complainants this Defendant Did Bring and Put into a warehouse appointed by Mr. Hindman for that Purpose all the Goods of the Different sortments beforementioned which this Defendant hath as yet been able to Procure from the weavers amounting to three thousand four hundred Pag^{s}. or thereabouts as by a valuation of the said goods according to the Tenour of the contract will appear all which matters and things this Defendant can and will maintain and Proye and therefore humbly Leaves the same to the Judgment of this Hon^{ble}. Court and hopes that it will be Deemed That he hath satisfactoryly answered all

his Engagements upon accompt of the said contract to the said Complainants Trustees to the s[d]. Captain Lawsons Estate and further Prays that he may be hence Dismissed with his Reasonable costs and charges in this suit most unjustly sustained.

Tuesday the first Day of August Anno Domini 1732 Between William Studholme Gilbert Slaughter and Josiah Hindman Trustees of the Estate of Captain John Lawson Deceased Complainants and Trevengalum Comrapah of Fort S[t]. George Merchant Defendant.

This cause coming this Day to be heard and Debated before this Court in the Presence of the attorneys on both sides on hearing the Bill and answer Read and the Deposition of Ragona who Deposed that the said Captain Lawson at the time of signing the contract in the Pleadings mentioned Did consent and agree to accept such Goods as the defendant should Provide though the contract should not be fully Performed by the Defendant and what was alledged on either side and Due consideration thereon This Court Doth think fitt to order and Decree and Doth accordingly order and Decree that the Defendant Do allow and make good to the Complainants all such money as they shall make appear hath been by them Paid for Interest of any sums taken up to enable them to comply with the said contract from the 31[st]. of May last and it is further ordered that the Complainants Do Receive of and from the Defendant all such Goods as he hath Provided agreeable to the Tenour of the said contract and it is further ordered that if the Defendant Do Import any more goods at this Place of the same muster and sortment with those mentioned in the said contract that he the Defendant Do give the Refusal of such goods to the Complainants and it is further ordered that the Defendant Do Pay the costs of this suit.

AUG[ST]. 8[TH].

The humble Petition of the Plaintiffs

SHEWETH that on Tuesday Last your Petitioners obtained a Decree in this Hon[ble]. Court against the Defendant for the Delivery of a considerable Quantity of Ginghams and other Peice Goods Pursuant to a contract entered into by the Defend[t]. with Captain John Lawson Deceased which Goods were to be taken on the valuation of Four Merchants.

That the said Goods were valued by four merchants by a muster taken out for the several sortments and Delivered to the said merchants by the Defendant on whose valuation your Petitioners were Ready to Receive the said goods.

That on sorting the said Goods in order to embale the same your Petitioners find that very few sortments thereof came up to the muster by which such goods were valued either in fineness or chay neither are the several quantitys contracted for Provided but only from four to sixteen Peices of some of the said sortments as will appear by an account taken of the Goods Delivered by the Defendant.

That by such the evasive Practices of the Defendant Great Damage will accrue to the Estate of the said Captain John Lawson should your Petitioners accept the said Goods.

Your Petitioners therefore most humbly Pray that the Defendant may be obliged to take the said Goods on his own account and to make satisfaction for the Damages the Estate of the said John Lawson may sustain by the non Performance of the said contract Punctually and that

a Reasonable allowance may be made your Petitioners for their charges in coming to & Residing here for the Performance thereof and that your Petitioners may have such other Releif as the nature of their case may Require and as may be agreeable to Equity and good conscience and your Petitioners shall Pray &c^{a}.

To the Hon^{ble}. the Mayors Court at Madrasspatnam.

The humble Petition of the Defendant.

Sheweth that having Perused and examined the Petition of the Plaintiffs exhibited in this Hon^{ble}. Court on Tuesday Last agreeable to an order for that purpose made upon the humble motion and Request of your Petitioners attorney your Petitioner observes that in the Two charges therein inserted to support the Prayer of the said Petition and on which Foundation the Plantiffs hope Releif are Erroneous and uncertain and not fully and Truely setting forth and stating the matters of Fact as they ought to Do.

The first charge setts forth that on sorting the Goods in order to Embale the same there were very few of the sortments came up to the muster by which such goods were valued either in Fineness or chay.

Which your Petitioner begs Leave to answer as follows.

When Mess^{rs}. Powney Turner Stratton and Mansel came to value the said Goods there were taken from each corge of each sortment three or Four (and of some sortments more) peices for musters one Peice of which was Time the other Midling and the Third course and so in Proportion as there were more or Less peices taken out which Peices or musters the Gentlemen aforesaid accurately surveyed and afterwards sett their Value thereon not according to the finest or coursest Peice but at a medium Price for the whole and the same was Done with the Knowledge consent and approbation of M^{r}. Hindman one of the Plantiffs who then made no objection but seemed content therewith Now if the said M^{r}. Hindman hath Picked out the finest Peice of each muster and expects that all the Goods should be of the same sortment and at the same Price your Petitioner humbly apprehends he is not Bound to answer or make good such a Demand and your Petitioner also insists that the said M^{r}. Hindman not making any objection at the time of sortment this charge thereby becomes of no force now and humbly hopes it will be so Deemed by this Hon^{ble}. Court. The second allegation in the Plantiffs Petition Laid Down is That there is Deficiency in the several Quantitys Provided against the Tenour of the contract your Petitioner is surprized to find this Pretext made use of a second time your Petitioner having in his answer to the Plantiffs Bill of complaint upon oath sett forth that Captain Lawson Promised to Dispence with the exact Quantitys which Part of the said answer is supported by the Deposition of Paucala Ragonah as appears in the Body of the Decree of this Hon^{ble}. Court in this cause where the same hath been allowed and therefore your Petitioner conceives this charge Requires no further confutation.

In the Prayer of the Plantiffs Petition it is observable they Request the said Goods may be Returned upon your Petitioners hands and satisfaction made for Damages &c This was the Purport of their Former Bill of complaint which was answerd in time by your Petitioner upon oath after a full hearing had thereon a Decree has Passed this Hon^{ble}. Court copy of which is hereto annexed Therefore how the said Petitioners can now Pray this Hon^{ble}. Court to supersede the Decree aforesaid which is firm and express without the formal Process of Review wherein some allegation of an Error in the Body of the said Decree ought to be as your Petitioner is well informed and which hath not yet been Done although expressly Requisite before any Decree of this Hon^{ble}. Court can be altered or Reversed your Petitioner is much at a Loss to account for.

Your Petitioner sayeth and averrs and Doubts not to Prove and maintain that he hath Paid strict obedience to the Tenour of the Decree of this Hon^{ble}. Court beforementioned althô his observance thereof will be upwards of Three

hundred Pag^{s}. Loss to him as your Petitioner can also Prove. Wherefore your Petitioner most humbly Prays that the Petition of the Plantiffs which is contrary to Equity and good conscience as your Petitioner apprehends may be Dismissed this Hon^{ble}. Court and that the Plantiffs may be obliged to stand to & abide by the Tenour of the aforesaid Decree of this Hon^{ble}. Court and that your Petitioner may have such satisfaction for this Further and unnecesary Trouble as to this Hon^{ble}. Court shall seem meet.

AND YOUR PETITIONER AS BOUND SHALL EVER PRAY.

TO THE HONBLE. THE MAYORS COURT AT MADRASSPATNAM.

Humbly complaining sheweth unto this Honble. Court your Orators Moodue Syrang with the Tandel and 5 Lascars of the ship Buddasor That Maneram commander thereof is indebted to your Orators in the sum of 23 Pagodas being for 2 months and fifteen Days Pay Due to your Orators for service on Board said ship which sum they have often Demanded Payment of from the said Maneram But hitherto without Effect therefore Prays a General Releif touching the Premises.

THE ANSWER of Maneram of Fort St. George Mariner Defendant to the Bill of Complainant of Moodue in Behalf of himself with the Tindel and 5 Lascars belonging to the ship Buddesaid Complainant.

This Defendant sayeth that sometime in the month of Augst. which was in the year 1729 This Defendant sailed out of this Place in the ship Buddesaid belonging to the King of Arracan and of which ship this Defendant was Noquedah or Commander at which time the Complainants were on Board the said ship being entred and entertained by this Defendant in the several Qualitys of Syrang Tendall and Lascars to serve on Board the said ship in the said several stations During the Term of the then Intended voyage from this Port of Madrass to the Port of Arrakan and back again to this Port of Madrass and for such certain Rates sallary or wages to each and every of them ℔ mensem as was at that time agreed upon Between this Defendant and the Complainants This Defendant saith that he Proceeded on the said voyage and arrived safe at Arracan where he Paid the said Syrang Tendall and Lascars their several wages for their service to that Place as agreed upon and after some stay made there This Defendant Departed with the said ship from thence and arrived at Vizagapatam in or about the month of June 1731 where this Defendant again Paid to each of the Complainants there several wages for their service on Board the said ship from Arracan to Vizagapatam This Defendt. saith that at Vizagapatam he had some Disputes concerning accompts and other matters with the Complainant Moodue the syrang but the same was adjudicated by Sands Davis Esqr. Cheif there and at Last amicably composed and settled by him This Defendant saith that sometime in the month of March Last this Defendant sailed in the said ship from Vizagapatam upon her Intended Return to Madrass at which time the Complainants were on Board and all and every of them in the service of the said ship and this Defendant This Defendant saith that meeting with violent and contrary winds he this Defendant was sometime in the month of April Last forced into a Place on the Cormandel coast called Ramanapatam about Fifteen Leagues to the southward of Vizagapatam This Defendant saith that considering he might Lay here with the ship some considerable time before he met with a slatch of wind to carry him to Madrass and having some accounts and other affairs of great moment to adjust

with Mr. Davis which were Left unfinished upon his Departure from Vizagapatam he was unwilling to Let slip this favourable Opportunity of making an end thereof This Defendant thereupon called Moodue the Syrang (and one of the Complainants in whom he had great Trust and confidence and imparted to him his this Defendants Design of Returning to Vizagapatam and his further Resolution of Leaving the said ship under the care custody and charge of him the said Moodue whom this Defendant Preferred to the said charge Rather than the Pilot of the said ship because the one was a Mussulman and the other a christian and in his this Defendants opinion not so well Qualifyed for such a Command as the Compltt. Moodue This Defendant saith that agreeable to such Resolution he this Defendant acquainted the People on Board with his Intention of Returning by Land to Vizagapatam and that he this Defendant would Leave the Complainant Moodue to take care of the ship and them in his absence and Required their obedience to him accordingly which was Promised unanimously by the People. This Defendant then gave all necessary Instructions and orders to the Complainant Moodue Particularly Directing him with the first slatch of wind to make the best of his way to Madrass and not to Let the ship or People want for any thing During his this Defendants absence all which matters & things being Done and settled this Defendant Left the said ship and Returned to Vizagapatam in great Confidence that the said Complainant Moodue would Execute his Trust with Diligence and Fidelity which he the said Complainant Moodue had Promised to Do with the most solemn asseverations This Defendant saith that he the said Compltt. Moodue sometime after this Defendants absence from the said ship weighed anchor and Brought the ship to a certain Place called Doovarasspatam near the Armagon where being in great Distress for water he the said Complainant Moodue together with the Tendall and all and every the Complttts. in the Bill mentioned took the said ships Boat and Put five mortevan Jarrs therein and went on shore Pretending to Go and fetch water Leaving the ship under Care of six Lascars only But never Returned again shamefully Deserting the said ship and the service of this Defendant Inhumanely Leaving their six companions on Board in the utmost want and Distress without any hopes of Releif there being no other Boat on Board and unlawfully carrying with them the said ships Long boat value sixty Pagodas and five Mortevan Jarrs value Eight Pagodas or thereabouts the Goods and Property of the owners of the said ship all which actings and Doings of all and every of the said Complainants are intirely Inconsistent with and Repugnant to Law Equity Justice Honour or even common honesty and have greatly Detrimented this Defendant and his employers in his and their Estates and otherways this Defendant says that the six Lascars on Board the said ship finding their companions Did not come off again as they had promis'd to Do with a supply of water hoisted a signal for them which they continued some Days But seeing no Prospect of Releif they weighed and through the Great Providence of the Almighty came to Pullicat although with much Difficulty and in the most Extream necessity at this Place they were obliged to Fasten Two Plank together and two of the six Lascars Left in the ship as aforesaid adventured to go on shore thereon in order to Procure Releif for themselves and the Rest But being very weak for want of water one of them was Thrown off in the surf and Drowned the other got safe on shore and gave an account of the unhappy circumstances his Companions were in on Board the said ship to the Chief of Pullicat who supplyed them all which matters and things this Defendt. (who was sometime before arrived in Madrass) being well and Truely informed of he this Defendant was obliged to hire several People to go Down to Pullicat to take care of the said ship and to Bring her up hither which was Done with much Trouble and great charge This Defendant saith that in Regard to the meaness and Poverty of the several Complainants and at the Instance and Request of their Friends he hath omitted Prosecuting them for all their unfair and unjustifyable actions before sett forth But is much surprised to find they have the courage to sue him for their wages which he admits he hath not Paid But he conceives himself entirely Blameless therein and not accuntable to the Complainants for the same Upon the whole as this Defendant can and will averr maintain and Prove all and each of the several allegations and charges in this

answer contained to be True and certain as the same are Expressed he Doubts not of the just and Equitable adjudication of this Hon^ble. Court therein and Prays that he may be hence Dismissed with such Reasonable satisfaction for the great Damages he hath sustained as the nature of the case will admit and that the Complainants Bill may be Dismissed with Exemplary costs.

THE ANSWER of Marcus Moses of Fort St. George merchant Defendant to the Bill of Complaint of Gopaul Gevess of the same Place Merchant Complainant.

This Defendant saving and Reserving to himself all Benefit of Exception to the many Errors Incertaintys and insufficiencys in the Complainants Bill of Complaint contained for answer thereunto or unto so much thereof as this Defendant is advised to be material for him to make answer unto he this Defendant answereth and saith That on or about the 16th. day of December as past (as near as this Defendant can Remember) the Complt. Brought a small (Diamond) stone in weight Three Mangelins or thereabouts to this Defendant which he this Defendant Bought for the sum of sixty Pagodas and on the 22d. day of the month of December aforesaid the said Complainant sold to this Defendt. another Diamond in weight about Ten Mangelines for the sum of six hundred and eighty Pagodas the Purchase money of which Two stones was immediately Paid by this Defendant to the Complt. upon the Delivery of the said stones This Defendant saith That at or about the 27th. day of the month of December aforesaid the Complainant Brought unto this Defendant Two Rose Diamonds weighing together fourteen Mangelins which stones being very Bad this Defendant told the Complainant he never Bought any such The Complainant then Requested this Defendant to keep the same in his Possession and endeavour to Dispose of them for the accompt of the said Complainant and to acquaint him what he was Bid for the same from time to time But this Defendant Denies that he ever Bought or intended to Buy either of the said stones as is falsely charged in the said Complainants Bill of complaint This Defendant admits that on or about the nineteenth day of January last the Complainant Did Bring a Diamond stone weighing Thirty Mangelins or thereabouts in which stone he the Complainant said he was concerned 5/8 which Part he offered to sale to this Defendant. This Defendant saith that he agreed to Purchase such his share in the said Diamond at and after the Rate of Three thousand seven hundred Pagodas for the whole and accordingly this Defendt. sealed the said stone up with his seal and Delivered it to the complainant who said he would carry it to Ghengaram until this Defendant could agree with him the said Ghengaram about the Purchase of the Remaining three Eighths unto whom the same appertained. This Defendant saith that the Day following being the Twentyeth Day of the month of January aforesd. the Complainant came to this Defendant and said if he would advance the sum of Two thousand Pagodas and the further sum of one hundred Pagodas as a Gratuity for himself and of which his Brother must not be made acquainted he the complainant would bring to this Defendant an exceeding fine stone which was to Poize about Eighteen Mangelins which stone was then in the hands of one Amarastanka a Merchant now Residing in Madrass. This Defendant saith that in answer to this Proposal of the Complainant he this Defendant told the Complainant that he had not so much money then in his Possession but that he would Procure the same against the next Day accordingly the next Day the Complainant came when this Defendant told him the money was Ready as he Required But Demanded further what security he the Complainant was willing to give this Defendt. for the same and for his Bringing the stone according to agreement upon which the Complainant did actually and Bona fide consent contract and agree willingly and upon his meer motion and accord that in consideration of the sum of Two thousand Pagodas aforesaid to be then Paid to him the complainant he the said complainant would immediately Bring and Deliver unto this Defendant the Diamond aforesd. weighing Eighteen Mangelins and upon Default thereof to forfeit such moneys as Remained in this Defendants hands Due to him upon the Ballance of the former accounts and also the Two Rose Diamonds Deposited with this Defendant in manner before Recited in consequence of which agreement This Defendant then Paid unto the Complainant the sum of Two thousand Pagodas and this Defendant well hoped he would soon Return in complyance with the said agreement and Bring the stone before mentioned with him which this Defendt. was at that time

the more Desirous of Obtaining because he had an opportunity of an immediate Disposal thereof and at the same time obliging a Gentleman this Defendants Friend with the Refusal who had actually Bespoke a very fine Ring of this Defendant and in all Probability this stone would have answer^{d}. the Purpose. This Defendant saith that the complainant not Returning in sometime he this Defendant sent for him and enquired after the stone aforesaid upon which the Complainant fell a weeping and said that Amarastanka told him he had sold the said stone five months before which he the Compl^{tt}. Did not know at the time of the agreement although this Defendant was well informed that he the Complainant had been with Amarastanka on the Day Preceeding and had sold the same stone by Joint consent to M^{r}. Salamons which this Defendant avouched to the Complainant who after sometime confessed that it was true and that Amarastanka had frightned him into it by telling him that if he (the Complainant) as a stranger should show a Large stone to any of the English he would never have the stone back again or the money for it but that he Amarastanka knew better how to Deal with them and that they Did not dare to treat him so This Defendant saith that it was upon this account and no other and in Part for the Purchase of the Diamond aforesaid that the sum of Two thousand Pagodas was so advanced by this Defendant and this Defendant further saith that he never Paid the compl^{t}. the sum of one thousand Pagodas in Part of the Proportion of five eighths of a Diamond bought of him as before Recited as is falsely sett forth in the said Bill of complaint but on the contrary this Defendant acknowledges himself to be indebted unto the complainant for the whole Purchase of the said five eighths of that stone this Defendant saith that by this Fraudulent Proceeding of the complainant this Defendant is greatly Damnifyed not only in the Loss he sustains by being Disappointed of this stone but also for that this Defendant was obliged to Purchase another Rough stone of a much higher Price in order to make good his word to the Gentleman for whom he intended the stone which he was to have had of the compl^{tt}. This Last Purchased stone this Defendant cut and it Proved very fine But when this Defendant shewed the same to the Gentleman for whom it was Procured (Upon being Disappointed of the former stone) and acquainted him with the Price thereof the said Gentleman Returned it saying it is not Dear but beyond my Price which stone now Lays on this Defendants hands and from hence this Defendant asserts that he hath Lost the sale of both stones and all the Profits which would have arose thereon and the Brazil mines have since affected the Diamond trade so much that this Defendant has no Prospect of Disposing of the Diamond aforesaid now in his Possession all which are great Detriments to this Defendant and entirely owing to the unfair actions and Practices of the Complainant and this Defendant here observes to this Hon^{ble}. Court that the Complainant being sensible of the Injury he had Done Did sometime past Propose to this Defendant that if he (this Defendant) would Deduct the abovementioned Two thousand Pagodas out of what was Due to him on the Ballance of his Proportion of five eighths of the Diamond herein before Recited he would Remit the Remainder being according to his accompt three hundred & Twelve Pagodas eighteen fannams as a consideration for the Damage this Defendant sustained by him which this Def^{t}. Rejected knowing his Losses were far more considerable This Defendant Begs leave also to acquaint this Hon^{ble}. Court that it hath been in compassion to the Complainant and to the Intercession of his Friends that he this Defendant hath hitherto omitted an application for Releif But as he Doth averr and can and will maintain and Prove all such allegations as are herein sett forth to be true and Just upon which it will appear that the Complainants charges as Recited in his said Bill of complaint are Disconsonant to that Harmony which ought to be Regarded in the Dealings between Merchants and also to good conscience so he Doubts not of an equitable and upright Decision of the case before this Hon^{ble}. Court and Prays such Relief herein as to their wisdom may seem meet and the nature of the case Require and Prays that he may be hence Dismissed with his Reasonable satisfaction for the Damages and all other costs & charges which in this suit he hath most unjustly sustained.

MARCUS MOSES.

Jacob sworn Deposeth that a Dubash Brought the Two Rose Diamonds in Question to his Master Mr. Salomons house and offered to Pawn the same for 1000 Pagodas telling this Deponent they were worth 1500 Pagodas this Deponent answered his Master was not then at home But if he the Dubash would come the next Day he would acquaint his Master therewith the next afternoon this Deponent meeting a Peon named Raganagalue who was with the Dubash when the stones were Brought to this Deponent asked the Reason why they Did not come according to their Promise who Replyed they had got the money elsewhere the name of the Dubash was Vencaty Puttee.

Vencaty Puttee sworn Deposeth That about 7 or 8 months agoe Narranapah Dubash to the Defendant did Deliver to this Dept. the Two Rose Diamonds in Question to Pawn them for 600 Pags. and that a Peon named Ranganagalue carried this Deponent to Jacob to Raise the money who told this Deponent he had not any money and Returned the Diamonds Narranapah Did not tell this Deponent to whom the Diamonds belonged nor had this Deponent any other Discourse with him about them.

Narranapah sworn Deposes that he knows the Diamonds in Question and that he Received them of his Master the Deft. about six months past with orders to get a sum of money which he would Pay again in five or six Days. This Deponent saith his Master gave him no orders to Pawn the said Diamonds But Bid him Borrow five or six hundred Pagodas and that such orders were given five or six Days after this Deponent Received the said Diamonds from his Master. This Deponent says he Delivered the said stones to Vencaty Puttee and ordered him to Borrow five or six hundred Pagodas thereon but says the said stones were never Pawned by this Deponent This Deponent saith his Master never Delivered any stones to him after he had Purchased them but used to entrust this Dept. with the care of Diamonds before he had Bought them and says the Diamonds in Question were never Purchased by the Defendant.

Juggoo sworn Deposes that Amer Estarka and Soobia came to his Master Captain Powney and informed him that the Complainant had sold a Diamond to the Defendant for 3800 Pagodas and that they had Left with or sold to the Deft. (This Deponent cant be Positive as to the expression) Two other Diamonds worth 1600 Pagodas and that the Defendant had Paid them Part of the first Purchase money this Deponent says they further informed his master that the Complainant had acquainted Moses he had another stone to Dispose of which Moses Bid him bring to him the next Day and that he Did go to Moses and acquaint him the stone Last mentioned was sold to Mr. Salomons and that thereupon Moses Refused to Return the two Diamonds in Question till the stone was Brought him.

Ramaniah sworn Deposes That he knows the Diamonds in Question and the same Belong to the Complainant and says the Complainant told this Deponent he had had said stones a Long time by him and Desired this Deponents assistance in Disposing thereof This Deponent says he Brought the stones to Moses who told him he had no need of them for that they were of to high Price and a Bad colour This Deponent says he Delivered said stones to Mr. Moses who said they were brought to him the Day before. This Deponent says he carryed the Plantiff to Mr. Moses two days afterwards when several People were present and that Mr. Moses Produced the Diamonds and asked the Pltt. what he meant by bringing them to him the Plantiff Replyed the same cost him 2000 Pagodas if Mr. Moses had occasion for them. The Diamonds were Delivered by Mr. Moses to the Plantiff who asked the Reason of it Mr. Moses Replyed they were of too high a Price and of a Bad colour and he had no occasion for them whereupon the Plantiff told Mr. Moses he would Let him know the Lowest Price and Desired Moses to be his Friend & sell them for him Mr. Moses bid the Plantiff set a time the Plantiff named 15 days which Moses Disapproved. The Plt. named a month which

Moses agreed to and in case said diamonds were not sold in that time Moses was to Return the same to the Plantiff and that the Price for which said Diamonds were to be sold was agreed to be 1600 Pagodas. This Deponent saith that the 1000 Pagodas paid by Moses to the Plantiff was on account a stone of 18 Mangelins which the Complainant Promised to bring him But that he Doth not know of any money paid on account of a stone of 30 Mangels. sold Moses by the Complainant.

Ramaniah (Examined for the Plantiff) Denies that he was Present at any time when the Plantiff offered to Pay the Deft. 1000 Pagodas on account a stone of 30 Mangelins sold by the Plantiff to the Defendant.

Narranapa (Examined on the Part of the Defendant) Deposes that the Plantiff informed his Master the Defendant he had Mortgaged a stone of 18 Mangelins to one Ammer Essar and that if the Defendant would advance him the Plantiff 2000 Pagodas he would Redeem and Bring the stone to the Defendt. that thereupon the [De]fendant Paid the Plantiff 1000 Pags. and the next Day the Defendant gave this Deponent 1000 Pags. more which sum this Deponent carryed to and Paid the Plantiff on the above account. This Deponent saith the Plaintiff came several times to his this Deponent's house and Desired that this Deponent would stand his friend for that the stone of 18 Mangelins was sold to Mr. Salomons & therefore Desired to tell his master the Defendant that if the Defendant would Deliver up the Two Roses in Question the Plantiff would forgive the Defendant the Ballance of his account But the Plantiff did not then say how much the Ballance was. This Deponent says the Ballance was about three hundred Pags. and being asked by the Court if he knew how the Ballance arose answers the Purchase of 5/8 of the stone of 30 Mangelins came to Pagodas 2300 and the 2000 Pagodas before made the Ballance Pagodas 300. This Deponent says that when he Carryed the Last 1000 Pagodas to the Plantiff he was Directed by his Master to bring the stone wherein the Plt. was concerned 5/8th. which this Deponent Did accordingly and then acquainted the Plantiff by order of his Master that when he the Plantiff brought the stone of 18 Mangelins his Master would clear the account of the 30 Mangelins stone Wanchidas Examined for the Defendant says that he knows not the Diamonds in Question but hearing of a Dispute between the Plantiff and the Defendant Desired the Defendants Dubash to speak to his master to accommodate the matter for that the Plantiffs master was come That the Defendants Dubash asked this Deponent if the Plantiff would give a sum of money to make up the Dispute whereto this Deponent Replyed the Deft. must speak to Soobiah the Plantiffs Principal on that accot. This Deponent says Narranapa the Defendants Dubash came afterwards to this Deponents house and Desired this Deponent would endeavour to make up the Dispute for 500 Pags. on his masters Behalf whereto this Deponent Replyed as above. This Deponent says that he and Shaundass went a few Days after to the Defendants house and told the Defendant the Plts. Principal was in the Place and that the Defendant must make up the affair with him But this Deponent Denies he ever offered any sum of money from the Plantiff to make up this affair. Nallum Juggoo Examined for the Defendant says he knows nothing of this affair. Narranapah Examined again Denies what Wanckidas assure as to the Deponents Demanding money for his master to make up this affair and further says one Ramaniah came to this Dept. and acquainted him that Naullum Juggo wanted to speak with this Deponent This Deponent asked on what account Ramaniah Replyed that the Plantiff was walking to and fro near Naullum Juggos house and that Naullum Juggoo wanted to talk with this Deponent That this Deponent went to Naullum Juggoos house when Naullum Juggoo asked this Deponent what Dispute this was between the Plantiff and Defendant whereto this Dept. Replyed that the Plaintiff had Left in the Defendant his Masters hands the Two Roses in Question to be sold on the Plantiffs account and that the Plantiff had sold the Deft. a stone of 30 Mangelins and that the Plantiff had Promised to bring another of 18 Mangelins and had Received 2000 Pags. on that account but the Plantiff not having Brought the stone of 18 Mangelins but sold the same to another Person his master the Defendant had kept the Two Roses in Question whereupon Naullum Juggoo Requested this Deponent to endeavour to make up the matter. This Deponent

asked in what manner Naullum Juggoo Replyed see and get something for your Master or get your Master to accept the Ballance of the Plantiffs account and Let the Two Roses in Question be Delivered up the Plantiff.

Ramaniah Declares Naullum Juggoo Desired him to make up the affair between the Plantiff and Defendant and that this dep^{t}. went and called Narranapah the Defendants Dubash to Naullum Juggoo for that Purpose. This Deponent says he is no ways concerned in the stones in Question except Receiving his Brokerage.

Abraham Salomons sworn Deposeth that he never Bought a stone of Eighteen Mangelins of the Plantiff But says about the 30th. January Last he Purchased a stone of the Plantiff which had been Promised him by Ammer Essar sometime in the month of October Preceeding.

Ghengaram Declares being Examined by the Defendant that Narranapah the Defendants Dubash and the Plantiff came to this Deponents house when Narranapa said to this Deponent here is your Bond. (This Deponent having sometime before Borrowed a Thousand Pagodas from the Defendant for which he had given Bond) and to the Plantiff there is your money at the same time giving the Plantiff 1000 Pagodas and that the said sum of 1000 Pagodas paid the Plantiff on account the stone of 30 Mangelins Purchased of him by the Defendant wherein the Plantiff was concerned 5/8 and this Deponent 3/8 and the Rather believes said sum to be Paid on that account Because the said stone of 30 Mangelins was then in this Deponents Possession sealed up and Demanded by Narranapa on the Defendants Behalf and accordingly Delivered to him by this Deponent.
